To whom it may concern,

Re: Approved Applicator for Cementitious Fire Proofing System

Dear Sir,

This letter is to confirm that **Ms. INTERNATIONAL CENTRE FOR TECHNICAL RESEARCH (ICTR) Baghdad, Iraq** is identified as a qualified applicator for the following Cementitious Fire Proofing system, designed for the fire protection of Petro-chemical plants, commercial buildings.

- Isolatek Type MII
- Isolatek Type 300
- Isolatek Type 400

In an event of a cementitious fire proofing project execution at site, we confirm that refresher training shall be provided to their technicians to ensure the quality standards of the installed fire proofing system,

Should you have any question, please feel free to contact us.

Yours Faithfully
For LUCO – ISOLATEK
